Aloha KPPCS Families,

We made it to the end of quarter three! Today we celebrated our school wide reading goals along with Pi Day, where students enjoyed eating pie, throwing pies at their teachers, visiting character booths, and reading stories with their older and younger buddies. Mahalo for your support in making this a fantastic day!

Spring break is here! There will be **no school from March 17th to March 21st**. We look forward to welcoming everyone back on **Monday, March 24th**.

Today marks the end of the third quarter, and report cards, along with parent-teacher conferences, are coming up soon. Stay tuned for more details.

Shout-Outs: A big shout-out to Zemya and Soren both in fourth grade for winning our weekly ticket drawing and showing Aloha values at school. We are so proud of our spectacular students!

Ag Work Day

The Agricultural Committee is planning a round two work day for our school pumpkin patch on Monday, March 31st 2:30-4pm after school. We're hoping to continue to weed whacking the cane grass and cultivate the soil for planting. If interested, please come on out to help support this agricultural project for our school, and bring any extra weed whackers, hedge trimmers etc. if available. Thanks and see you there!

Mahalo for your continued support!
