

Aloha Kona Pacific Families,

What an incredible week we've had! It's been a joy seeing our students engage in such exciting and enriching activities. Here's a recap of this week's highlights and a look ahead at what's coming up.

Highlights From This Week

Schoolwide Field Trip to Aloha Theater

Our entire school participated in a memorable field trip to the Aloha Theater to watch *The Great Race*, performed by the Honolulu Theatre Company. The performance captivated everyone and sparked some great post-show discussions.

2/3 Class Visit to Big Island Bees

Our 2/3 students had a buzz-worthy adventure visiting Big Island Bees! They learned about the importance of bees in our ecosystem and got a close look at the honey-making process. It was a sweet and educational experience!

Aloha Tickets & Ambassadors

Students are earning Aloha tickets for demonstrating values of responsibility, kindness, and safety. Weekly drawings recognize winners as our Aloha Values Ambassadors. Congratulations to this week's winners, **Liliana** from first grade and **Eli** from 2/3 combo class, for dedication to these values!

Looking Ahead

Middle School Trip to Waikoloa Dry Forest

Next week, our middle schoolers will venture to Waikoloa Dry Forest, where they'll explore a unique Hawaiian ecosystem and learn about ongoing conservation efforts. This will be a great opportunity to connect with nature and understand the importance of protecting our environment.

Mahalo for Your Support!

We're grateful for your continued support in making these experiences possible for our students. Stay tuned for more updates on our learning adventures next week!

A message from the Kona Pacific 'Ohana Association

We had a very successful Read A Thon fundraiser in October and are grateful for everyone's hard work, both in reading and in donations. We had strong participation this year from our keiki's families and friends and want to extend a heart-felt mahalo nui loa to you all! We collectively raised \$5,736.00 for our teachers to use for the enhancement of their classroom learning experience. Every single bit of this helps, and we know the teachers are thrilled! Thanks to you all for such a wonderful event!

A message from the Agricultural Committee

Get ready to roll up your sleeves and help bring our school pumpkin patch to life! Join us on **Saturday, November 23rd, from 9:00 to 12:00**, as we clear and prep the space for planting. We'll be tackling the cane grass and laying down weed mat to set the stage for a beautiful harvest.

What to Bring:

- Long pants, long sleeves, and closed-toe shoes (we'll be getting into the thick of it!)
- Lots of energy and smiles!

We'll provide refreshments to keep everyone fueled and ready! Let's make this a fun, community effort. Hope to see you there!
